

Malmedy Mountainbike Festival : Rules

1. Every hiker or racer claims to be able to ride a mountain bike. Each person participates under his own responsibility and has to be covered by a personal insurance. The M.M.F.'s timed race is not an official race and does not take place in a closed circuit. The stopwatch is used for information only and a ranking of the runners will be established at the finishing line.
2. There will be checkpoints and refreshment points in various places throughout the circuit. The competitors need to follow the signals' indications they are given, and to necessarily present themselves to the checkpoints to appear in the ranking. The organisation reserves the right to modify the route and schedule in case of bad weather or in the event of force majeure, in the competitors' interest and safety.
3. Minors have to be accompanied by a parent (or legal representative) or an adult. In the case in which the adult is not the minor's legal representative, the adult has to write and sign a parental authorization at the moment of the inscription in which he/she authorizes the minor(s) to participate in the ride under the responsibility of the nominally designated adult.
Without this parental or adult authorization, the minor will not be authorized to participate in the ride.
The organiser cannot be held responsible for any negligence connected with the participation of a non-declared minor.
4. **Each competitor is committed to respect the Highway Code on the road sections.** Furthermore, the other participants have to be respected.
5. Each competitor is committed to follow the road signs installed by the organisers.
6. The organiser declines any responsibility in case of accident, fall, loss, theft, or deterioration of material or personal equipment. Wearing a helmet is compulsory.
7. The participants authorize the organiser, without compensation nor restriction, the use on his website and publicity material of pictures or videos on which they appear at the time of the sporting event.
8. The inscription is firm and definitive. **No repayment will be made.**
9. By his participation, the competitor declares to have carefully read the present rules.
